

Grief Changes People ...

Grief is a journey which encompasses the emotional, physical and spiritual aspects of our lives.

The Life and Death of someone we love changes our lives forever. How we journey through this change is a unique and personal experience.

We are able to journey and grow through our grief, with the support of others and personal reflection.

*“When you are sorrowful,
look again in your heart
and you shall see,
that in truth,
you are weeping
for that which has been
your delight”*

(Kahil Gibran)

Grief Support Groups offer a time to share your loss and grief with others in a caring, confidential and supportive atmosphere.

*“Joy shared doubles the pleasure.
Sorrow shared halves the pain”*
