Programs

Community Grief Support Groups

From September to June, every Tuesday from 9:30-11:30 a.m. or 7:00-9:00 p.m. the Funeral Home offers a time for you to share your grief with a professional grief counsellor, Beverley Yates and others in a caring and confidential environment. Each week has a discussion topic, followed by a question, answer and sharing period. Anyone in the community who feels they would benefit from these sessions is welcome to attend. Brochures are available at the Funeral Home and also online.

Blue Christmas Candlelight Service

Early in the Christmas season, we hold an annual, non-denominational service to help those, for whom we have served, get through the often difficult times of the holiday season. You will be given an opportunity to light a candle and place a blue bulb on our Christmas tree in memory of your loved one. As part of the services we provide, we are proud to include all of the above programs free of charge to the families we serve.

After Care

Caring about our families doesn't end on the day of the funeral. We know this can be an overwhelming time and there are things that need to be addressed within a period of time. That's why we provide, free of charge, After Care with our After Care Specialist, Janie Hartwell, to assist you with many of the tasks that must be dealt with.

PAYMENT, FINANCING & FUNDING

For services at time of death:

Payment is due within 30 days of signing the contract, beyond which interest will be charged at a rate of 1.5%, which is equivalent to 18% per annum (APR). Payment may be made by cash, cheque, debit, and most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans.

Financial assistance for funeral, burial, cremation / hydrolysis services is available through various governmental agencies, to those who qualify.

Pre-payment in advance of need:

For services that are being arranged pre-need, we offer two funding options when prepaying services or supplies:

Trust: You pay for the services and supplies at today's price and we will place your money in a trust account, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Pre-payment can be made by cash, cheque or credit. Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, we will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

Additional information about payment, financing and funding options is available upon request.
